

UNIVERSITETET I OSLO

Jobbnorge ID: 194535
Deadline: 1/15/2021
Website: <http://www.uio.no/>
Scope: Fast present (20)
Duration: Permanent

Adjunct Professor/Associate Professor (20 % position) of Medicine (Anaesthesiology) at the Institute of Clinical Medicine, University of Oslo

Adjunct Professor/Associate Professor (20 % position) of Medicine (Anaesthesiology)

About the position

The Institute of Clinical Medicine has a vacant position as Adjunct Professor/Associate Professor (20 % position) of Medicine, (Anaesthesiology)

The part-time academic position (20%) is combined with a full-time Senior Consultant position at the [Department of Anaesthesia and Intensive Care](#), Akershus University Hospital. The department serves a population of 577 000 and employs 65 anaesthetists/intensivists and 270 nurses. The department is subdivided in units of anaesthesia, postoperative care, intensive care, and a pain clinic. Approximately 30.000 anaesthesia procedures are delivered yearly. The Department currently has active research in the fields of obstetric anaesthesia, cardio-respiratory adaptation in health and disease, effects of anaesthesia on paediatric postoperative pain, and quality aspects of intensive care nursing

About the University of Oslo

The University of Oslo is Norway's oldest and highest ranked educational and research institution, with 28 000 students and 7000 employees. With its broad range of academic disciplines and internationally recognised research communities, UiO is an important contributor to society.

The Institute of Clinical Medicine (Klinmed) is one of three institutes under the Faculty. Klinmed is responsible for the Faculty's educational and research activities at Oslo University Hospital and Akershus University Hospital. With about 800 employees spread over approximately 425 man-labour years, Klinmed is the university's largest institute. Our activities follow the clinical activity at the hospitals and are spread across a number of geographical areas.
