

# UNIVERSITETET I OSLO

**Jobbnorge ID:** 282502  
**Deadline:** 10/31/2025  
**Website:** <http://www.uio.no/>  
**Scope:** Part time  
**Duration:** Permanent

## Professor/Associate Professor 50% in medicine (Microbiology) combined with Senior consultant 70%

### The academic position

The academic position is a Professor (SKO 1013) or Associate Professor (SKO 1011) (50 % position). The basis for evaluation of the applicants by the assessment committee will include her/his scientific, other professional, educational and publishing qualifications, qualifications related to management and administration, and personal qualifications. As part of the ranking process of qualified applicants, the full scope of these qualifications will be explicitly assessed. Particular weight will be given to qualifications that are central to the announcement and the description of the position. Scientific qualifications will carry more weight than other qualifications.

### Information

#### How to apply

The combined position is published via Oslo University Hospital. Please visit [this link](#) to see the full advertisement and to apply for the position.

### About the University of Oslo

**The University of Oslo** is Norway's oldest and highest ranked educational and research institution, with 28 000 students and 7000 employees. With its broad range of academic disciplines and internationally recognised research communities, UiO is an important contributor to society.

**The Institute of Clinical Medicine (Klinmed)** is one of three institutes under the Faculty. Klinmed is responsible for the Faculty's educational and research activities at Oslo University Hospital and Akershus University Hospital. With about 800 employees spread over approximately 425 man-labour years, Klinmed is the university's largest institute. Our activities follow the clinical activity at the hospitals and are spread across a number of geographical areas.
