

Norwegian University of
Science and Technology

The Norwegian University of Science and Technology (NTNU) creates knowledge for a better world and solutions that can change everyday life. On 1 January 2016, NTNU will merge with the University Colleges of Ålesund, Gjøvik and Sør-Trøndelag. The merger will give us more comprehensive educational offerings and larger research environments. Together, our four institutions will create Norway's most exciting, innovative and largest university.

**Faculty of Information Technology, Mathematics and Electrical Engineering
Department of Computer and Information Science**

PhD candidate at the Department of Computer and Information Science, within “Querying Big Data”
